

ATS CONSULTING ACQUIRES PRIMEFORCE UKG SERVICES PRACTICE

New York, NY — ATS Management Consulting has acquired primeFORCE LLC, a consultancy group focused on workforce management solutions.

The purchase is aimed at further expansion of ATS's capabilities as a leading full-suite implementation provider of UKG's workforce and human capital management.

Financial terms of the transaction were not disclosed.

The acquisition boosts ATS's workforce management capabilities and further strengthens its ability to deliver full-suite transformational solutions to clients.

Founded in 2000 as EasyHRWeb, primeFORCE became an affiliate of Prime Care Technologies in 2014. With headquarters in Atlanta, Georgia, primeFORCE is a 15+ year UKG workforce management partner helping clients across the

healthcare, manufacturing, services and distribution, and retail verticals evaluate, implement and adopt ideal workforce strategies and technologies.

“In a world of change — and with increased focus on delivering full-suite implementation from a singular partner and the ability to compete and thrive in current global markets — businesses are relying on an all-inclusive, connected approach to workforce and human capital management to realize operational excellence,” said Lou Sylaj, Founder and Chief Executive Officer of ATS Management Consulting.

He added, “primeFORCE’s industry knowledge and trusted relationships within the UKG ecosystem — coupled with its ability to deliver configurations that maximize clients’ investment in UKG Solutions and create customized end-user training to ensure full organizational adoption — will complement ATS’s capabilities and better position us to drive value for our clients.”

primeFORCE Vice President of Strategy Doug Montgomery said: “UKG continues to rapidly expand its solution offerings and gain global market share, so it is imperative that partners take meaningful steps to match UKG’s focus on high-quality full-suite delivery. I am extremely excited for the unique opportunity to join with the amazing ATS team and instantly position ourselves for explosive global growth alongside UKG.”
